

## who?

**Facultad Padre Ossó** (centre affiliated with the **University of Oviedo**) is organising the 2nd International training week for faculty members and lecturers, where you'll be able to meet and share 'best practices' with people representing diversity and inclusion fields in Europe.

The program will focus on subjects common to **Social Education, Early Childhood Education, Primary Education and Occupational Therapy**. Therefore, the target group is lecturers in the fields of education, social education and occupational therapy.

## + info

For the participation in this training week, we ask the participants a **registration fee: 100€**. We offer the participants: welcome pack, work materials, cultural activities, coffee breaks and a farewell dinner. Please notice that:

Participants are expected to obtain **Erasmus+ mobility grants** from their home institutions to cover the travel and accommodation expenses related to their participation in the event.

The main **language of communication will be English**.
