

Diversity & Inclusion: D4ALL International Training Week

8-12 JUNE 2020

FACULTAD PADRE OSSÓ (UNIVERSITY OF OVIEDO, SPAIN)

GENERAL INFORMATION

OVIEDO

Asturias is a region in Northern Spain and Oviedo is its capital, Oviedo is a hospitable and dynamic city filled with an intense cultural and commercial life. Oviedo is an easy city to walk; the tourists will find unexpected sites: the Fontan market, a Pre-Romanesque fountain called La Foncalada, a cathedral with both a Gothic and a Romanesque tower, a historic town that has been a source of inspiration for writers, contemporary civil architecture and an intense cultural agenda.

Oviedo is monastic and regal, on St James' Way, a beacon of Christianity in the Late Middle Ages, which still safeguards among its relics a universal reference: the Holy Shroud.

And it is just 30 minutes by car from the coast and the mountains!

www.facultadpadreosso.es/

Founded in 1965, it is a private Catholic College affiliated with the University of Oviedo, www.uniovi.es/en, the main institution of higher education and research in Asturias.

It offers a competent educational model, characterised by its distinctive features that respond not only to the use of innovative techniques, but also to personalised treatment, as well as tolerance and respect.

Facultad Padre Ossó, through its Continuing Education department, offers educational programs designed to give further skills or knowledge to individuals. The Continuing Education department language courses are well-known; every year pre-service and in-service teachers enrol them. Facultad Padre Ossó also offers the following facilities: library, gym, football field, chapel, parking, and cafeteria. Facultad Padre Ossó is recognised as a leader in higher education in Asturias due to the outstanding quality of its degree programs:

- Degree in Occupational Therapy
- Degree in Social Education
- Degree in Early Childhood Education
- Degree in Primary Education Teaching

INTERNATIONAL

Facultad Padre Ossó is very interested in establishing relationships with other universities in order to promote exchange programs, as well as giving more opportunities for students, lecturers and professors to live academic experiences abroad.

The University of Oviedo allows Facultad Padre Ossó to open international agreements with other institutions. The objective of the agreements is to facilitate and promote collaboration among universities, in order to develop the following activities:

- a. Academic exchange of faculty and students.
- b. Joint research projects.
- c. Sabbatical leaves.
- d. Joint development and exchange of materials aimed at education and research.
- e. Organization of conferences, seminars and other similar activities.
- f. Other collaboration activities in fields of interest for the institutions.

PADRE OSSÓ ERASMUS WEEK

Facultad Padre Ossó is glad to organise the 2nd Erasmus Week Training (8th -12th June 2020). The aim of this Training Week is to welcome both faculty members and lecturers to share experiences with regard to the following theme: **INCLUSION AND DIVERSITY**.
