

[BUILDING BRIDGES]

**Erasmus Staff Week for Architecture 2017
20.03.2017 - 24.03.2017, Department of Architecture,
University of Applied Sciences, Karlsruhe, GER**

Within the Framework of the Erasmus Program for Teaching Mobility we invite teaching professionals in the field of architecture to Karlsruhe to stress out the architectural parameters of [BUILDING BRIDGES].

[BUILDING BRIDGES] stands for any design task that aims to transcend separation. Separation might be provoked by any kind of obstacles, such as distance, social- or language barriers, roads, rivers, altitudes, age difference, etc...

Please send us an abstract of your planned lecture within the application form.

Your lecture shall also serve as initial lecture to the students design workshop conducted during [BUILDING BRIDGES] - Erasmus Staff Week for Architecture 2017.
