Boosting Adult System Education In Agriculture - AGRI BASE

Dear colleague,

Herewith we invite you to participate at the E1 media event and conference within the “Boosting Adult System Education In Agriculture”- AGRI BASE project which will be held in Stip, R Macedonia on 01.07.2016. AGRI BASE is an Erasmus+ K2 Action Strategic partnerships project and its consortium of ten universities from EU and non-EU countries deals in the field of adult education in agriculture by preparing a set of educative materials and raising awareness among the target group. The objective of the E1 event is to disseminate the first realized output O1-Baseline report, the overall project tasks and activities as well as to contribute to institutional networking.

Please find below the E1 program, and more information about the project and the event is available at www.agri-base.eu.

Looking forwards to meeting you in Stip.

With kind regards,

AGRI BASE project team
