Course Description

Do you need to present confidently, but feel unsure when doing it in English? This workshop is designed to help you overcome those challenges by providing you with essential vocabulary and key phrases tailored for presentations. You will not only learn the fundamental terms but also practice your skills in a supportive, feedback-driven environment. Our goal is to make you feel more comfortable and effective when speaking in front of an audience, even if English isn't your first language. Additionally, you will gain insights into the basic structures and strategies for creating engaging presentations. By the end of the course, you'll feel more prepared and confident to deliver impactful presentations with ease and clarity.
