

22nd ENAS Forum & Assembly

Digital innovation in University and College Sport

Trento, November 3-8, 2019

The European Network of Academic Sports Services (ENAS) and the University of Trento are organising the 22nd annual ENAS Forum and Assembly between 3 and 8 November 2019 including the main event between 5 and 8 and the pre-event between 3 and 5 November 2019.

Description

The ENAS Forum & Assembly is an annual event bringing together around 200 delegates, including senior managers of University Sport, government officials and their representatives, Sport policy makers, Vice- Chancellors, Sport Directors and, Organizations of student representatives. We offer a high level informative programme as well as plenty of formal and informal networking opportunities. Join us in Trento this November for our next edition on 'Digital Innovation in University and College Sport'. More information about the theme, [click here](#).

Programme

Programme updates

Programme updates are available via the [ENAS website](#) and the ConnexMe application (see instructions below).

Your contributions are wanted

We highly value member contributions to the event programme. Do you want to suggest a speaker? Interested in presenting your project or organisation in a Member Sprint Talk? More the Poster kind of topic? To find out more about all member contribution opportunities during the event on the ENAS website, [click here](#).

Networking & Interaction

We will be using a mobile and web-based event application again to help you to network, to find all the information you need and to interact with speakers and other participants during sessions.

Get info, network, interact:

- 1 Download the app: Evenium ConnexMe

Or visit <http://evenium.me> on PC or phone

- 2 Connect with the same e-mail you used to register for the event: firstname@example.com

- 3 Connect to the event with the event code, go to www.connex.me/ENASFA19

You will receive an e-mail as soon as we have launched the ConnexMe dashboard and functionality.

Raffle and Auction

Every year the ENAS Forum host University nominates a local charity, which the Forum supports through a fund-raising initiative. This year our raffle and auction will benefit the found “La violenza non è un destino” (“Violence is not a destiny”), managed by “Famiglia Materna” and “Punto d’approdo”, two Trento associations that help women who have fallen victim of violence. Find more information about the charity on the ENAS website, [click here](#).

All delegates are invited to bring along some gifts from their University or country, which will be put into the raffle to raise funds. Something valuable to offer? Ready to donate an item to put up for auction? Fill out the [donation form here](#).

10 000 steps during the Forum

To help you reach your 10000 steps goal during the ENAS Forum, we offer a variety of morning workout options, organise a meanwhile notoriously funny teambuilding oriented Asbjørn Cup and have standing options available during the sessions. Don't forget your sports gear!

To avoid overcrowded sessions, registration for each of the workout will be required through Evenium ConnexMe.

Accommodation

The event and pre-event will take place at the Grand Hotel Trento. As the number of rooms available in this hotel are limited, a second hotel will be used during the event and pre-event. The hotels are close together, within a walking distance of 300 meters. Rooms in the Grand Hotel will be allocated on first-come-first-served basis so book early. We will indicate on the website whether rooms in the Grand Hotel are still available.
