## Course Description

**Transitioning to a university teaching role can be both exhilarating and challenging.** This course is specifically designed for academic professionals with limited or no prior classroom experience, providing you with essential strategies and skills to begin teaching with confidence. This course covers fundamental pedagogical concepts, effective classroom management techniques, and strategies for designing and delivering engaging course content. Through interactive sessions and hands-on practice, you will gain practical insights and tools to ensure a successful start and build a strong foundation for your teaching career.

<p><b>Overall objectives of the mobility</b></p>	<ul style="list-style-type: none"> <li>• Understand key learning theories and pedagogical principles.</li> <li>• Develop practical skills in classroom management, creating an inclusive and engaging learning environment.</li> <li>• Design and organize effective curricula and assessments, utilizing various instructional models and tools.</li> <li>• Apply interactive teaching techniques and technology to enhance student engagement and learning.</li> <li>• Reflect on and refine teaching practices through feedback and peer collaboration.</li> </ul>
<p><b>Added value of the mobility</b> (in the context of modernisation and internationalisation of the sending institution)</p>	<ul style="list-style-type: none"> <li>• Supports the modernization of teaching practices by integrating contemporary pedagogical theories and digital tools.</li> <li>• Facilitates the exchange of best practices and experiences among educators from various European institutions, fostering a collaborative teaching community.</li> <li>• Equips participants with practical skills and confidence to effectively teach and manage diverse classrooms, contributing to improved educational outcomes.</li> </ul>
<p><b>Activities to be carried out</b></p>	<p>This workshop will use a variety of different teaching methods such as:</p> <ul style="list-style-type: none"> <li>• <b>Interactive Presentations:</b> Engage in hands-on sessions to explore pedagogical theories, classroom management techniques, and curriculum design.</li> <li>• <b>Group Exercises:</b> Collaborate with peers to develop and present practical teaching strategies and tools.</li> <li>• <b>Technology Integration:</b> Learn to use educational technologies and interactive tools to enhance student engagement.</li> <li>• <b>Peer Feedback:</b> Receive and provide feedback on teaching practices, fostering a collaborative learning environment.</li> </ul> <p>Additionally, you will have the opportunity to explore the city of Münster and network with professionals from other European Universities.</p>
<p><b>Expected impact and outcome</b></p>	<p>After the training, you will be able to:</p> <ul style="list-style-type: none"> <li>• Design and implement effective curricula that engages all students.</li> <li>• Confidently manage classrooms and apply innovative teaching methods.</li> <li>• Expand your professional network through connections with other educators.</li> <li>• Practice reflective teaching to continuously improve your strategies.</li> </ul>
<p><b>Target Group</b></p>	<p>PhD students, postdocs, and academic professionals seeking practical skills to succeed in university-level classroom</p>

## **Your Destination: Münster, Germany**

Münster, known for its picturesque scenery, charming churches, and vibrant cycling culture, provides the perfect backdrop for this training. As a city rich in history and architecture, Münster offers a unique blend of old-world charm and modern energy. Whether you're exploring its many historic landmarks or enjoying the lively atmosphere by bike, Münster is sure to inspire both relaxation and reflection during your stay.
