High Fidelity in your DaF-ability: International Teaching Staff Exchange Week at TU Clausthal

It's our pleasure to invite you to take part in the HiFi-DaF International Teaching Staff Exchange Week at Clausthal University of Technology.

You will have the opportunity to attend a workshop “Intercultural Communication” as a model class, teach our international students in intensive German language courses using a peer-team instructional format (min. 8 – 10 hours), and listen to talks about idiomatic expressions and phraseology in the German language and German history.

Intended outcomes: Broadening and developing your classroom skills through practical experiences and peer review in the classroom, as well as expanding your teaching methods

Contents:

- Team teaching with peer review (8 – 10 hours)
- Workshop “Intercultural Communication”
- Teaching methods
- Idiomatic expressions and phraseology in the German language
- Lecture on German history: The Reunification of Germany
- Model film seminar “Movie Night”

- Dinner by invitation of the President of Clausthal University of Technology
- Visit to Christmas market in Goslar
- X-mas Get Together Party
