

Sustainable Organisations: Creating and Managing in Turbulent Business Environment

**Join us in Riga for
RISEBA International Week 2017
on 24-30 April 2017**

Together we will promote and enhance the integration of ethics, responsibility and sustainability into teaching, research and operational practice in

- **Business, Management & Economics**
- **Media & Communications**
- **Architecture & Design**

Increase your impact by joining:

10th Annual Scientific Baltic Business
Management Conference ASBBMC 2017
27-29 April 2017
