

**FH goes international – Studiere die Welt!**  
**7<sup>th</sup> „International Week“**

**2. – 6.11.2015**

**The International Office of Dortmund University of Applied Sciences and Arts** invites representatives from partner universities to participate in the International Week which will take place from the 2<sup>nd</sup> to the 6<sup>th</sup> of November 2015.

We would love to welcome you as guest lecturer or “ambassador of your university” during these days.

Objectives of the International Week are to promote the integration of German and foreign students, to point out the international potential and intercultural experiences as well as to inform on offers and possibilities for global exchange. The target groups are foreign students and lecturers, who can pass on their intercultural knowledge and experiences and German students, who would like to obtain intercultural competences and/or are interested in a study/placement abroad.

The participation in this event offers you the chance to introduce your university to the students and colleagues at Fachhochschule Dortmund and you will be able to meet colleagues from other countries as well as to get to know your cooperation partners and their faculties on-site. Hopefully you will have the chance to make new contacts and also gain new ideas.

The week will start on Monday morning with a welcome by the rector of the FH Dortmund and an introduction of all participants. On Monday afternoon we will offer a city tour. On Tuesday, Wednesday and Thursday we also will organize the “marketplace of possibilities” including info booths and exhibitions where you are able to introduce your university to students. In the mornings and afternoons we will organize lectures, panel discussions and workshops according to the participants needs.

Attached you find the application form. The official **application deadline** is the **30<sup>st</sup> of September 2015**. After the deadline we will provide you with the detailed program. Lectures, presentations and information material should be prepared in English.

Should you need any additional information please do not hesitate to contact us.

Kind regards,

Head of International Office  
Gisela Moser, M.A.

Coordinator of International Week:  
**Elke Meinert**
