

Dear Partners,

Novia University of Applied Sciences is pleased to announce its second International Week taking place in Vaasa and Jakobstad **1-5 June, 2015**.

Our International Week targets all staff members from partner universities interested in knowing more about Novia UAS, Finland and Finnish culture as well as sharing work related experiences and best practices with other participants. The focus of the International Week will be on **"Supervision, Counselling and Guidance from different perspectives"**.

Attached you will find the Preliminary Programme. The official language of the International Week is English.

Since the number of participants will be limited we recommend the interested candidates to fill in the attached application form and send it to camilla.moliis@novia.fi by 20.4.2015 at the latest. The selection results will be sent to each participant shortly after the application deadline. Please note that we will accept no more than 20 guests altogether, and only two participants from each university. Participants are expected to give a short presentation of their home university.

Participants are expected to cover their travel, accommodation and meal costs themselves, but we will be happy to accept attendance as part of Erasmus+ Staff Training. (Archipelago cruise and dinner 3.6., transportation, lunch, entrance and guide at Rosenlund and Aspegren gardens 4.6. are included in the programme).

Please feel free to contact us if you need any further information.

We look forward to welcoming you to Novia.

Kind regards,
Camilla Moliis, Camilla Pundars-Mitts and Isabelle Bonnet
International Office
