The University of Paris 8 is pleased to announce its first ERASMUS+ International Credit Mobility Staff Week, organized in the Parisian Region from the 05th till the 8th of November 2018.

The programme has been designed for colleagues from European universities working in international departments as Erasmus+ mobility coordinators and other staff dealing with the Erasmus+ ICM programme (KA107). It will give the participants the opportunity to discuss the trends and challenges universities are facing, as well as share their knowledge and expertise for all aspects concerning the ICM programme.

The staff week will include both social/networking events and plenaries. The presentations and workshops will revolve around three aspects of the ICM Programme:

1. Management & Implementation
2. Project Proposal Development
3. Valorization & Sustainability

We are looking forward to welcoming you in our University.

The International Relations Office of the University of Paris 8
