

Tartu Health Care College`s International Week 2016: Applied Research and Borderless Cooperation 21.-25.11.2016

Dear international colleagues,

we are happy to invite you to Tartu Health Care College`s third International Week, „Applied Research and Borderless Cooperation“ which will be organised between 21.-25.11.2016.

During the week you have the opportunity to introduce your applied research and find partners for future. Also within the international week there is going to be held **a science conference** (www.nooruse.ee/conference) where you are highly recommended to present posters about your institution`s applied research. In addition you can participate in several workshops, meet colleagues and get in touch with new cooperation partners, make acquaintance with the Tartu University Hospital and beautiful student town Tartu and of course - celebrate Tartu Health Care College`s 205th anniversary with us!

Registration and more information: www.nooruse.ee/internationalweek
