Just trust yourself. #luotaitseesi

**OAMK**

OULU UNIVERSITY OF APPLIED SCIENCES

Oulu University of Applied Sciences welcomes you to the International Teacher and Staff Exchange Week, ITSEW 2019, 1–5 April 2019.

For teachers the week offers a possibility to teach as a guest teacher in business, engineering, ICT, health and social care, education, natural resources, media and performing arts.

Staff members have the opportunity to benchmark various support services of higher education e.g. in communication, international, student, as well as research and development services. See all the available opportunities on our website [oamk.fi/itsew2019](http://oamk.fi/itsew2019)

After a busy week of teaching and networking, you will also have an opportunity to further explore the North and the arctic spring on a one-night post ITSEW tour on 5–6 April 2019 (at participant's own cost).

Oamk has a long tradition in organising international weeks with a great success. As participants of the previous year put it: ***"Unforgettable experience in the ice with warm people & the best Erasmus week ever"***.

The participants should cover their own travel, accommodation and other expenses. Participation is possible e.g. in the framework of ERASMUS+ teacher/staff mobility or other mobility programmes.

We look forward to more than 150 guests and warmly welcome all the old friends and new acquaintances.

#### **APPLICATION TIME**

15 November 2018 –15 January 2019

Priority in the selection is given to the partner university applicants
