MATEJ BEL UNIVERSITY IN BANSKÁ BYSTRICA

Matej Bel University in Banská Bystrica offers high quality education in the field of humanities and social sciences.

The university creates opportunities for connection of both study and practice by innovative mentoring, volunteering, informal education and community work. The university is Middle European leader in developing the worldwide recognized educational strategy service learning and the first university in the Slovak Republic whose study programmes are a part of the international programme CFA Institute University Recognition Programme.

Globsec Academy Center, incubator of young leaders, supported by the worldwide recognized think-tank of the same name, operates here as well as the Talent and Research Centre. MBU is successful in research projects of the EU Framework Programs (FP5-FP7, H2020), especially in the socio-economic and human sciences fields. The goal is to be the best Slovak university in international scientific cooperation in these scientific fields.

Studies at the MBU are being guaranteed by professionals and practitioners; this finds positive appreciation by both students and employers. MBU is the 4th most successful in Erasmus+ Programme; approximately 450 foreign mobilities are being carried out every year. The university has also a successful cooperation with universities in francophone countries. For selected study programmes it is possible to obtain apart from the Slovak diploma also a diploma from foreign university.

Many MBU students attend to art or sports. Among the MBU graduated and teachers there are several Olympic winners as well as their trainers.
