

Modern Methodology & Language Development for Secondary Teachers

About this course

This one or two week course focuses on helping you create new lessons that will re-engage and re-energise both you and your students. You'll discover effective new techniques and how to adapt them for your students. You'll also have afternoon seminars in Education and in Irish Culture.

A minimum language level of Upper Intermediate (CEFR B2) is required for this programme.

María Luisa, Italy

"I want to express my sincere gratitude to the entourage of Emerald Institute and, most of all, to your brilliant teachers: it was a pleasure, living my first experience as a student in a so welcoming school! I hope that this will happen again to me, or to some colleagues of mine."
