Advanced options - via-stop, means of transportation, bike transportation, walking distances ...

Arriving at Copenhagen Airport:

When arriving in Copenhagen, the easiest way to get to Odense is by train. The train departs directly from the airport and arrives in Odense approximately 1 hour and 30 minutes later. The trains depart frequently. Everything you need, ticket office and exits to the platforms, is available from the lobby in Terminal 3 at Copenhagen Airport.

Using the Journey Planner: Type: From "Copenhagen Airport" to "Odense st".

Arriving at Billund Airport:

From Billund, there is no direct means of transportation to Odense. Therefore, the journey from Billund to Odense is by both bus and train. This journey takes approximately two hours.

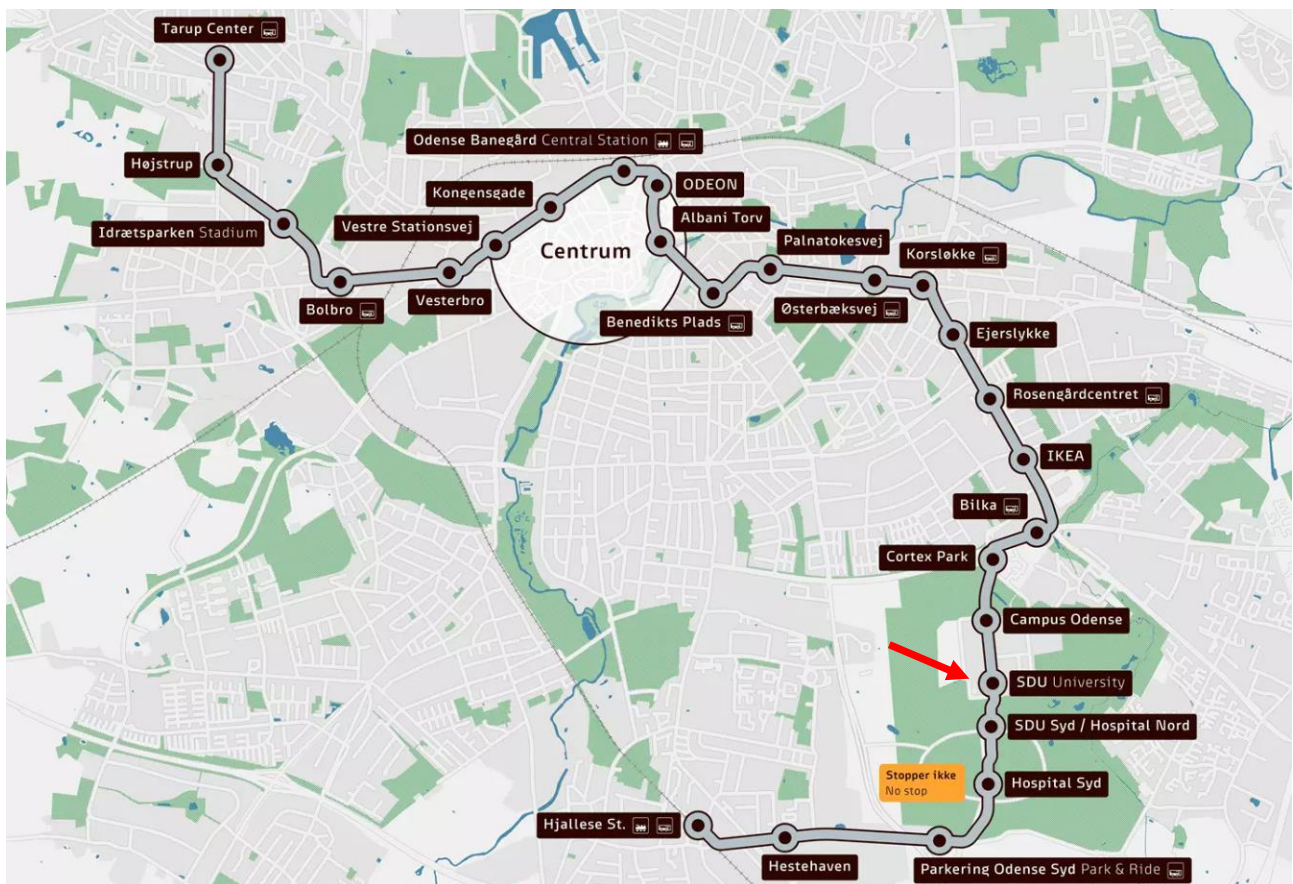

Using the Journey Planner: Type: From "Billund Airport" To "Odense st".

Where to stay in Odense:

In Odense, there are many possibilities of accommodation. Here is a list compiled by VisitOdense: <https://www.visitodense.com/In-int/funen/accommodation/accommodation-odense>

Likely, the central station and adjacent light rail (Tram) platform will be your hub of transportation. How to use the tram click [here](#).

The tram departs regularly. Make sure to step on in the direction of **Hjallese st.** (from any station in town) and get off at **SDU University**, which is on the Southern outskirts of Odense.

The taxi hub is on the north side of the central station.

If you are arriving by car, there is ample, free parking at the University. Just follow directions to Campusvej 55, 5230 Odense.

Venue:

All programs will take place at the library – second floor in “Education Room” (Undervisningslokale). You can ask an employee at one of the front desks for directions.

SDU Maps:

SDU Maps is our digital campus map that lets you search for Library, Dining, and other facilities. A wayfinding feature leads you directly to the requested place.

This map is available as an app for IOS and Android smartphones. Search the App Store or Google Play for '**SDU Maps**' to install the free app.

While you install it, you can choose SDU Odense – Library – Level 2, Building 22.

The map can be also accessed at: www.maps.sdu.dk

Storing luggage at the library on the arrival and departure days:

On the arrival day – as well on the departure day – you can have your luggage stored in a locked and supervised room at the library.

WiFi:

(Wireless) internet is available at the venue. You may use either “eduroam” or another available network.

Group photo:

We will have a group photo taken during the first day at the Library Main Entrance.

Event ID card:

We have provided an ID card for you which will be handed to you the first day during registration. It includes your name and institute, and inside of the card, you will find the program for the entire week.

Please remember that you need to hold your ID card while you are at SDU.

Lunch & dinner:

All lunches and one group dinner are part of the programme. The group dinner will happen at Storms Pakhus (Odense Street Food Market). Find more info [here](#).

Note: For the rest of your visit, you are responsible for your own breakfast and dinner during the programme.

Time:

Denmark is on Central European Time (GMT+1)

Currency:

The Danish Krone (DKK) is the unit of currency.

To help you calculate, please have a look at <https://denmark.net/denmark-guide/denmark-currency>.

Credit cards:

Most of the usual charge and credit cards (e.g. American Express, Visa and Mastercard) can be used in hotels, restaurants, and shops.

Free city bikes and E-Scooter in Odense:

Be like a Dane and go by bike/scooter. In Odense Municipality, you can borrow a city bike free of charge for 24 hours, solely by using your mobile phone. Go to

<https://www.visitodense.com/explore/activities-cid36/bike-rentals-cid41> for more information.

Climate / raincoat and umbrella:

The weather in Denmark in June is normally pleasant with lovely weather, warmer temperatures. However, on occasion, an umbrella or a raincoat may be useful.

Daytime average temperature is around 15°C, evening temperature around 10°C. For more information, please see: www.dmi.dk.
