

WORKING TOGETHER

Cooperation projects for a University library

Programme coordinator
dott. Maurizio di Girolamo
director of the Biblioteca di Ateneo of the University of Milano-Bicocca

The staff training is addressed to university librarians who are in charge of services or projects. The programme covers the following topics:

1. The Library of the University of Milano-Bicocca:

- Organizational structure
- Activities and services
- Projects: towards the Digital Library

2. The University meets its neighbourhood:

- The project for a Metropolitan Library System in Milan;
- The cooperation between the Library of the University of Milano-Bicocca, the Cinisello Balsamo Municipality and the Consorzio Sistema Bibliotecario Nord Ovest
- The collaboration with the library of the Natural History Museum of Milan
- Events for the popularization of science

3. The national strategy to purchase electronic resources:

- The electronic resources market

- The deals with publishing companies to buy electronic resources : the CARE (Coordinamento per l'Accesso alle Risorse Elettroniche)/CRUI (Conferenza dei Rettori delle Università Italiane) experience

4. Measurement and evaluation to improve libraries services:

- The Good Practice project
- Experiences of the Biblioteca di Ateneo in qualitative and quantitative measurement

A session will be devoted to sharing experiences and best practices about the topics discussed.

The programme will be developed in five days, including a day to visit EXPO and free time to visit Milan.

Period of realization: July 20-24, 2015

Tuition fee: 180.00 €
