

International Staff Training Week at Justus Liebig University Giessen

Justus Liebig University Giessen invites its partners from International Offices around the world to JLU's annual International Staff Training Week. This week is organized and hosted by JLU's International Office and is embedded in the ERASMUS Staff Exchange Programme.

The meetings allow participants to exchange ideas about fostering student and staff mobility, to present their home universities, structures and working practices, to explore and discuss special topics of interest within the field of internationalisation, and much more. Enough time is allowed for individual meetings with colleagues of JLU's departments or other university facilities.

Please note: We aim at a maximum number of 12 participants and can only accept one, max. two representatives of each university – depending on demand!

Date: Our Staff Training takes place Monday to Friday, July 07-11

Application deadline: Applications are welcome until April 30.
Please register online:
