The Trainers

Filip Kňáček trainer, facilitator, pharmacist, volunteer, coach

Filip is 5 years in non-formal education environment. He has extensive experience with short-term soft skills trainings aimed on topics such as time management, presentations skills, leadership, communication, personality types, body language & movement, coaching and intercultural differences. He has written and organised trainings, workshops, projects and also conferences in professional and self-developmental environment. He studied Pharmacy at the University of Veterinary and Pharmaceutical Sciences Brno where he also works at the time and establishes cooperation of the University with third parties. Currently he is mainly focusing on self-developmental topics in the youth and academic field. He is also organising his own local workshops for public on the topics of self-love, trust and life behavioral patterns. In his work he is using different coaching approaches, working through embodiment, reflections and daring activities. He is actively volunteering in Czech NGO Brno Connected, which is part of Synergy group.

Adéla Firlová pharmacist by training, creative dreamer by soul

In December 2014, she became the soft-skills trainer and ever since then, she has delivered many trainings all across the Europe. Her favourite topics are creativity, improvisation, mentoring and cultural differences. After graduating as pharmacist, she worked in a pharmacy for two years to find out she needs something more creative. Since 2017, she has been a practical lab lecturer for two subjects at Faculty of Pharmacy Brno - Analytical Chemistry and Drug Analysis, therefore, she has the experience also with formal education of adults. Adela has also worked as Vice President of Education for European Pharmaceutical Students' Association - preparing educational programme for European Congresses (each with 300 participants) as well as online webinars with both educational and soft-skills content, so you can tell that edu topics are very close to her.
